Mission

The University of Florida's Food Safety and Quality Program is dedicated to providing training which enables food managers and staff to offer Florida consumers food that is prepared in a clean and safe environment.

This training is offered through IFAS Cooperative Extension County Offices throughout the State of Florida. We conduct a comprehensive training that provides the most up-to-date information and current regulations. University of Florida County Faculty teach the program and can create a personalized training for your establishment.

Upon successful completion of the training, participants will receive a Certificate of Attendance from the University of Florida Food Safety and Quality Program.

Once you pass the ServSafe® Manager's Exam, you will receive a National Certification valid for five years. Certification is required in Florida for food managers of all establishments licensed by the Department of Business and Professional Regulation, the Department of Agriculture and Consumer Services and selected licensees of the Department of Health.

- You must register at least **3 business days before the training date** (Business days are Monday through Friday, not counting holidays).
- Training classes are one day, starting at 8:30 a.m. and ending at 5:00 p.m.
- ****The maximum allowed time to take the test is 2 (two) hours**
- You may reschedule your class if you unable to make it to your original date. However, a "No Show" **does not** merit a refund or credit.
- We **highly recommend** studying the textbook (*ServSafe® Manager, 6th Edition*) prior to attending class. See registration form for order info.
- Accepted forms of payment include credit card (**online only**), money order, or check (personal or business).
- Once your registration and payment are received you will be sent instructions, a map, a receipt (plus the textbook if you order it).
- **NO walk-in registration is permitted.**
- The exam is ninety questions in multiple-choice format. It is given the same day as the class (plan about 8 hours total for training and exam). The score needed to pass the exam is 75%.
